

HISTORIC FLORA MACDONALD CAMPUS

Commemorative Engraved Bricks

On the historic Flora Macdonald campus, a beautiful walkway of commemorative engraved bricks has been constructed on the main path leading from the main building to the Gardens. This pathway links past, present, and future generations of Flora Macdonald College, Vardell Hall, Robeson Country Day School, Flora Macdonald Academy, and Highlander Academy. Individual graduates, classes and friends of these educational institutions are encouraged to purchase bricks. Your support of the path not only helps create a lovely addition to the Flora Macdonald campus, but also supports the work of Highlander Academy in continuing the tradition of academic excellence first begun here by Dr. Charles G. Vardell in 1896.

These commemorative bricks are a perfect opportunity to honor a new graduate, an alumnus, beloved teacher, or others who have a connection with this campus. Bricks and stones are available in several sizes and may be engraved with names and other appropriate information. Order information is included below.

Name: _____

Address: _____

Phone: _____ Email: _____

Qty. _____ 4" x 8" Commemorative Bricks @ \$100.00 ea. \$ _____

Qty. _____ 8" x 8" Commemorative Bricks @ \$200.00 ea. \$ _____
